MEMORANDUM FOR: General Counsel

SUBJECT: Replacement Vehicle

REFERENCE: Memo for D/L from GC, dated 19 August 1987,  
Same Subject*Done:*

1. I am very sorry for the delay in responding to reference request. We would be pleased to order a Class III replacement vehicle for you in the form of an Oldsmobile Cutlass Supreme, Mercury Sable, or a Ford Taurus. Given the Agency's policy, established by the then DDA and DDCI in 1984, I do not have the authority to purchase a Chevrolet Caprice as cited in reference. This vehicle is classified as a Class IV according to GSA standards, spelled out in FPMR-101.38.1, and authorized for the DCI and the DDCI.

2. I am aware of the very effective use being made of official vehicles by your component. Since overcrowding appears to be the problem, I recommend that we purchase a station wagon or a mini-van for use by your office. The Chief, Facilities Management Division, OL, has a listing of the types of vans and station wagons which could be obtained for your utilization. I suggest that your Logistics/Admin people contact him (secure line ) so that we can expeditiously move on this option if you desire.

3. Please contact me if you would like to discuss this matter further.
